**PORTFOLIO NOTE:**

As previously announced, on May 23, 2006, Fannie Mae agreed to a consent order issued by its regulator, OFHEO. Under the consent order, Fannie Mae may not increase its "mortgage portfolio" assets above the amount shown in its December 31, 2005 minimum capital report, except under specified circumstances at the discretion of OFHEO. Fannie Mae believes it is in compliance with the terms of its consent order with OFHEO.

The "gross mortgage portfolio" balances set forth in this monthly summary report represent unpaid principal balances, which represent statistical measures rather than amounts computed in accordance with GAAP. "Mortgage portfolio" assets that are reported to OFHEO under the consent order reflect GAAP adjustments, including market valuation adjustments, allowance for loan losses, impairments and unamortized premiums and discounts. These adjustments are not reflected in the "gross mortgage portfolio" amounts shown in this report.

We expect that some of the information in this monthly summary report will change when the financial statements and related audits for the relevant periods are completed. Management believes that the information may be useful to investors for comparing current business activities with those of prior periods and for reviewing trends in our business, notwithstanding that information may change, perhaps materially, from what is reported herein. Issues that will cause some of this information to change include those related to securities accounting, loan accounting, consolidation and amortization. Information regarding the restatement of our financial statements may be found in Forms 8-K Fannie Mae filed with the Securities and Exchange Commission, including Forms 8-K filed on March 13, 2006, May 9, 2006, August 9, 2006 and November 8, 2006.
