Pursuant to the requirements of the Securities Exchange Act of 1934, the reporting entity has duly caused this report to be signed on its behalf by the undersigned:

(1) In instances where percentages of the principal balances are calculated, the percentages may be adjusted in order for the totals to equal 100%.

(2) The issue date principal balance of the mortgage loans is used to calculate the issue date trust balance, which may not always equal the original security balance.

(3) From time to time, Fannie Mae acquires mortgage loans from a mortgage loan seller where such mortgage loans were originated by a joint venture between the mortgage loan seller and a third party. If the mortgage loan seller retains control of such joint venture (either through majority ownership or voting rights), Fannie Mae may list the related mortgage loan as a joint venture on this report. In addition, Fannie Mae has, in a limited number of circumstances, acquired mortgage loans originated pursuant to a contractual arrangement, specifically a loan, including taking the mortgage loan application, processing, underwriting, or delivering the mortgage loan to Fannie Mae. In such cases, Fannie Mae is electing to list the mortgage loan as a loan originated by the third party and the mortgage loan seller by which the third party may have funded the mortgage loan, but the mortgage loan seller performs most of the other functions related to the mortgage loan, including taking the mortgage loan application, processing, underwriting, or delivering the mortgage loan to Fannie Mae. In such cases, Fannie Mae is electing to list the "originator" on this report if the mortgage loan seller had not otherwise provided the name of the originator.

(4) In the case of mortgage loans in a trust or mortgage loans removed directly from a trust due to a breach of representation and warranty, the principal balance shown on this report is the principal balance of the mortgage loan (i.e., that amount unpaid to the related certificateholders) of the mortgage loan. In the case where the mortgage loan was removed from a trust prior to a sale of the mortgage loan, the principal balance shown will be the actual balance of such mortgage loan.
